

# A Consumables Strategy To Set You Up For Success

The print consumables you use - labels, ribbons, receipt paper, wristbands - can make or break your operation. But beyond using the right product, having a partner that offers a full breadth of services not only improves your bottom line, it transforms the way you do business. It's time to get strategic about your consumables. Levata can help.

## The Consumables & Logistics Center

Located in Holland, Michigan, our dedicated consumables facility includes a preprint design center and warehouse.
