

Beam Cover-Up Labels

THE SOLUTION TO YOUR RACK LABELING CHALLENGES.

Refresh & Protect Your Racking

Whether your beams have seen a lot of use or are brand new, beam cover-up labels will keep them looking fresh for years to come. Just apply it right over any existing labels and damaged beams to cover them completely and protect against future wear. Levata will match beam cover-up labels to integrate seamlessly with your racking. Reap longterm rewards from this one-time investment.

Effortless, Mess-Free Label Removal

Once beam cover-up labels are permanently installed on your racking, simply apply your location labels on top of it. Now, when you need to move stock or update a product, you can easily remove the location labels quickly and completely, without leaving any residue. Beam cover-up labels will let you say goodbye to expensive magnets and the hassle of scraping old labels—saving you time & money!

Complete Bin Protection

The same cover-up technology can be used for bins as well. Now you can match the color and size of your bins, and cover up old labels. Apply cover-up labels to new bins to keep them looking new. Simply apply your barcode location labels on top of your cover-up labels, then easily remove and replace them as labeling needs change. No more continuously stacking labels or dealing with residue from removing old labels - keeping your bins looking clean.
